Special thanks to all donors who contributed after our publishing date and to everyone in attendance at this evening’s concert.
As always, the end of the concert does not mean the end of the evening, but the beginning of our post-concert festivities! Enjoy the champagne and hors d’oeuvres (with ginger ale for the lighter palate) as you mingle with friends, students and faculty artists!

McElroy Lobby:
Bob Dunn, guitar, will keep the McElroy Lobby lively with stellar arrangements in a variety of styles to enjoy at the reception.

Davis Hall:
UNI student jazz combo Night Mayor will present a collection of standards and new jazz repertoire in a nightclub-feel setting.

Stop and Listen!
