The UNI Community Music School (CMS) offers a variety of engaging music education experiences, taught and led by professional musicians and UNI students to the Cedar Valley community. CMS embraces a diverse and inclusive learning environment with exceptional programming where everyone is welcome regardless of ability, age, or financial means.

Quality musical instruction is provided for our community through private and group music lessons, membership in the New Horizons Band, Children’s Choir, the Women’s Percussion Ensemble, and Camp Musicmania. Participants in our programs range from ages 5 to 90 plus years old and come from several area schools and cities. The Community Music School also routinely offers financial need-based scholarships for all of our programs. Overall, CMS programming includes over 400 participants annually. Visit cms.uni.edu for more information.

The University of Northern Iowa honors the ancestral stewards of the land on which our university rests. Through the work we do every day to live our mission, the University of Northern Iowa aspires for you to see a community that: honors Native and Indigenous People and culture, lives the 7th Generation Principle, does good for the people and communities we serve, and embraces stewardship of our mission and land.
