About the Artist

David Phetmanysay is currently in his third year studying Music Performance. He is currently involved in Northern Iowa Symphony Orchestra and was previously in several chamber music ensembles. Currently, he holds the president position in the American String Teachers Association student chapter. He previously was the Director of Finance for Lawther Hall's Exec Board; an organization that programmed social events for residents during the 2019 – 2020 year. After graduation, he plans to attend grad school so he can learn how to be a studio teacher and freelance as a concert violist. Currently, he is undecided on which graduate program he will pursue next after UNI. On the other hand, David's favorite activities include visiting local cafes, PC gaming, and hanging out with his brothers of Phi Mu Alpha Sinfonia, Beta Nu chapter.

Originally from Waterloo, IA; he participated in several high honor performances during high school that includes All-State Orchestra, Cedar Rapids Corridors Honors Summer Camp, Northern Iowa Youth Orchestra, and Outstanding Performer's Showcase after receiving "Best of Center" at Solo/Ensemble competition. His favorite memories in music includes performing the legendary Beethoven Symphony no. 9 "Chorale" at UNI, the youthful but brilliant Mendelssohn String Octet in Eb Major, as well as participating in Mr. School of Music, a men's "pageant" showcasing the quirky hidden talents of male students in the UNI School of Music, hosted by Sigma Alpha Iota.

I would like to give thanks to Dr. Koh and Dr. Julia Bullard for pushing me even when I faced hardships in life. I would like to also give a word to former teachers; John Chiles and Becca Geysens for helping me discover my passion. Lastly, I am forever glad that I had substantial support from both my family and friends. I would not be where I am today with you all!

In Memoriam

Tonight's recital is in the memory of my dear friend, Matthew "Garth" Mark. He was a man who brought many laughs among his friends but fought selflessly to protect our nation as well as saved countless lives at the front lines. You will be missed brother.
