About Our Chapter

The Beta Nu chapter of Phi Mu Alpha Sinfonia has been serving the School of Music at the University of Northern Iowa for over 85 years, bringing musicians together as brothers in a way that no other fraternity could match. The chapter's active members consist of both music majors and non-music majors. Since the days of the chapter's inauguration, the Beta Nu brothers have gone on to serve as valuable members of the music community in the Cedar Valley, Iowa, and across the nation. Beta Nu has initiated over 500 members in it's history, including those brothers who have graduated on to advance music in the realms of orchestras, military bands, jazz, choruses, and operas around the globe, as well as being active in building a strong foundation in music education.
