The UNI Community Music School (CMS) offers a variety of engaging music education experiences, taught and led by professional musicians and UNI students to the Cedar Valley community. CMS embraces a diverse and inclusive learning environment with exceptional programming where everyone is welcome regardless of ability, age, or financial means.

Quality musical instruction is provided for our community through private and group music lessons, membership in the New Horizons Band, Children's Choir, the Women's Percussion Ensemble, and Camp Musicmania. Participants in our programs range from ages 5 to 90 plus years old and come from several area schools and cities. The Community Music School also routinely offers financial need-based scholarships for all of our programs. Overall, CMS programming includes over 400 participants annually. Visit cms.uni.edu for more information.

COMMUNITY MUSIC
SCHOOL

UNI / University of Northern Iowa

Support UNI Community Music Students

The University of Northern Iowa Community Music School has been committed to providing high quality music education programs for the Cedar Valley community since 2006. UNI CMS continues to grow, by offering more music lessons, group classes, and performance groups to area students of all ages, and providing teaching opportunities for UNI School of Music students.

We are able to do this because of the financial support we have received from community members that share our mission of offering year-round opportunities to study music for Cedar Valley students of all ages and abilities. Each year we offer financial support for families in need for all CMS programs.

Become a giving partner at the UNI Foundation by visiting <https://tinyurl.com/SupportCommunityMusicSchool>. Funds are used for scholarships (lessons, Music for Little Mozarts, Camp Musicmania, and Children's Choir), to purchase music, instruments, and supplies, as well as pay guest artists.
