**The UNI Guild of Carillonneurs** is a student-governed organization founded in 2014 that aims to spread the music, history, and tradition of the Campanile to anyone who wants to listen. They have created on-campus events such as their annual Campaniling concert during Homecoming week, a community Easter Egg hunt, and a Halloween concert. They have had the privilege to take informative trips to visit other carillons and carillonneurs, including at Iowa State University and the Mayo Clinic in Rochester, MN. Recently, the Guild was invited to perform in a global world premiere by Ellen Lindquist for the 2019 Nordic Music Days Festival.

Current members include: President, Vice President, Director of Public Relations, and Historian. The members have a variety of majors and primary instruments!

Find the Guild at [carillon.uni.edu](http://carillon.uni.edu) or @UNICarillon on Facebook. They accept song requests!
