with Biscotti Brass

when the clouds break.....Cait Nishimura
(1991)
with Biscotti Brass

About the Artist

Kate McAlister graduates from the University of Northern Iowa in the spring semester of 2025 with a Bachelor's Degree in Marketing from the Wilson College of Business with a minor in psychology.

During her four years at UNI, she was also active in the School of Music. She has studied trumpet under the direction of Dr. Randy Grabowski. She has dedicated her free time and talent to the UNI Wind Ensemble, Biscotti Brass Quintet, the trumpet studio, and endless hours of practice time.

While McAlister hopes to graduate and have a full-time position in the marketing and graphic design industry, she also has plans to remain a trumpet player and join community ensembles in her free time.

To keep in touch with McAlister, she highly recommends you follow her graphic design business on Instagram and Facebook @katemcaco and read her blog at katemcaco.wpcomstaging.com.
