(1923-2019)

With Nathan Boorman, Maggie Cremers, and Spencer O'Riley

About the Artist

Jenna Spencer is a senior undergraduate student majoring in Instrumental Music Education at the University of Northern Iowa, studying with Dr. Anthony Williams. Originally from Clinton, Iowa, Jenna began her musical journey at a young age when she first picked up the guitar. She enjoys playing with her band and writing music on the side. During her time at UNI, Jenna has performed with the Panther Marching Band, Symphonic Band, Northern Iowa Symphony Orchestra, Jazz Bands II and III, The UNI Trombone Choir, and Concert Band, where she played one semester on the tuba.

Jenna has been a member of the Alpha Upsilon Chapter of Sigma Alpha Iota since Spring 2021, where she is currently serving as Recording Secretary. This is also her third semester as a Peer Mentor, and she enjoys getting to know and help the many students she interacts with.

Jenna plans to student teach this spring in the Southeast Region of Iowa, and after graduating, she plans to teach beginning, middle, and/or high school band. Jenna is grateful for the time, experience, and many professors and friends that have made her time at UNI beautiful, and she is eager to pay their kindness forward as she takes the next step ahead.
