Both Sides Now Lyrics

Bows and flows of angel hair, and ice cream castles in the air
And feathered canyons everywhere, I've looked at clouds that way
But now they only block the sun, they rain and snow on everyone
So many things I would've done, but clouds got in my way
I've looked at clouds from both sides now, from up and down, and still
somehow
It's cloud's illusions I recall, I really don't know clouds at all

Moons and Junes and Ferris wheels, the dizzy dancing way you feel
As every fairy tale comes real, I've looked at love that way
But now it's just another show, you leave 'em laughin' when you go
And if you care, don't let them know, don't give yourself away
I've looked at love from both sides now, from give and take, and still
somehow
It's love's illusions I recall, I really don't know love at all

Tears and fears and feeling proud, to say "I love you" right out loud
Dreams and schemes and circus crowds, I've looked at life that way
But now old friends are acting strange, they shake their heads, they say
I've changed
Well, something's lost, but something's gained
In living every day
I've looked at life from both sides now, from win and lose and still
somehow
It's life's illusions I recall, I really don't know life at all
