

## Thank you

I would like to take the time to thank you all for attending my senior recital. Thank you my horn professors Dr. Tina Su, Josh Johnson, and Peter Kortenkamp who have pushed and inspired me over the last four years. I would like to thank all of my music professors and former music teachers for giving me several life changing music experiences. I would like to thank my colleagues in the school of music. It has been an honor to play with each of you. Finally, I would like to thank my family and friends. I would not be able to be where I am without your support.

Highlights of his music experiences at UNI include traveling to Central Europe with the Wind Ensemble last spring, serving as the Drum Major for the Panther Marching Band the last two seasons, performing Igor Stravinsky's Firebird Suite, Paul Hindemith's Symphonic Metamorphosis, and playing the carillon during homecoming week last fall.
