This is your teacher's lesson schedule for this semester. To avoid missing a lesson, students anticipating an absence should arrange to trade lesson times with another student. If the teacher is absent, the lesson will be rescheduled. If a student misses a lesson for any reason, the teacher is not responsible for making up the lesson. Your teacher is a professional who has reserved time in her/his weekly schedule for you. Your teacher is at the lesson whether or not you attend. Please contact the teacher as soon as possible if you are unable to attend lesson as scheduled.
