The UNI Community Music School (CMS) offers a variety of engaging music education experiences, taught and led by professional musicians and UNI students to the Cedar Valley community. CMS embraces a diverse and inclusive learning environment with exceptional programming where everyone is welcome regardless of ability, age, or financial means.

Quality musical instruction is provided for our community through private and group music lessons, membership in the New Horizons Band, Children’s Choir, the Women’s Percussion Ensemble, and Camp Musicmania. Participants in our programs range from ages 5 to 90 plus years old and come from several area schools and cities. The Community Music School also routinely offers financial need-based scholarships for all of our programs. Overall, CMS programming includes over 400 participants annually.
